Outlaw Rodeo Productions

2011 Rodeo & Wild Cow Milking

Outlaw Rodeo Productions is proud to make its 14th appearance at the Pike County Fair. This year we are proud to announce that we are bringing back a full 10 event rodeo! Contestants from around the Mid-West will be vying for big dollars while showing their skills on the backs of the rankest bulls and astride their own finely tuned horses for the timed-events. The rodeo will consist of cowboys and cowgirls from the Missouri Rodeo Cowboy Association (MRCA) and the United Rodeo Association (URA) participating in: Bareback Bronc Riding, Calf Roping, Breakaway Roping, Over 40 Calf Roping, Steer Wrestling, Saddle Bronc Riding, Team Roping (Heading & Heeling), Cowgirls Barrel Racing, & Bull Riding. It's sure to have something for everyone!

Owned by two families of Pike County natives, Mike, Mary Beth, & Amy Gillum and Lance, Joey, Kacey, & Emma McCollum, the business operates in conjunction with 5J Rodeo Company. Our offices are in Columbia, Missouri with livestock pastured in Bowling Green. Outlaw has been producing events for organizations such as Chamber of Commerce, Fairboards, Lions Clubs, and Jaycees since 1988. 2011 marks our 24th anniversary.

Each year since our inception the rodeo industry has proven to grow and become more exciting, becoming a mainstream entertainment venue. On average, Outlaw Rodeo Productions participates in over 50 rodeo and bull-riding performances per year and has produced events in seven states.

Outlaw Rodeo has become famous for fast-paced and flamboyant performances. We were the first Midwest rodeo contractor to equally emphasize production quality and bucking stock, earning over 30 bucking stock of the year awards in five different associations. Outlaw rodeos are known for flash and color, keeping the fans on the edge of their seats through explosive pyrotechnics and synchronized hard driving rock & roll music. We push it to the cutting edge while maintaining maximum professionalism.

Our record tells the tale. With well over 70 cumulative livestock, contractor, producer, and rodeo of the year awards, we are honored to be the most decorate rodeo company in Missouri over the last decade. If this is your first Outlaw experience take hold and get ready for a wild ride as Outlaw Rodeo Productions takes a western tradition to a whole new level.

CONTESTANTS - Negative Coggins required & checked!

WILD COW MILKING RETURNS FOR YOUR INTERMISSION ENTERTAINMENT!

For over two decades the local Saddle Club and VFW rodeo was one of the most anticipated affairs of the Pike County area. And without a doubt the most talked about event of the award winning rodeo was the wild cow milking.

Local teams consist of three members: roper, mugger, and milker. A wild, snot slinging cow must be roped in a certain area of the arena, held at bay and milked into a bottle. The bottle, containing proof of mission accomplished, is then rushed to a judge waiting at the opposite end of the arena. Many a coffee shop tale was built around this home town spectacle.

It's back again this year as an added attraction to the fans. Outlaw & 5J have re-introduced the wild cow milking to local cow punchers and buckaroos. Teams of three will be competing for trophy buckles and cash. Teams must supply their own rope, bottle, and guts.

For more information or to enter your team, call Mike Gillum at (573) 875-1348 or Lance McCollum at (573) 470-6888. Hurry! Cows are limited.
